OFFICIAL RULES: BEER PONG

1. **Setup.** Ten cups per side in a triangle, each about a third full.
2. **First shot.** Eye to eye. First make shoots first.

4. **Elbows.** Behind the edge of the table until the ball is released.
5. **A make.** The defending team drinks the cup and removes it.
6. **Bounce shot.** That cup plus one more. Once it hits the table, it may be swatted.
7. **Both teammates make it.** Balls back.
8. **Both balls, same cup.** That cup plus two more.
9. **Re-racks.** Two per game. The last cup moves to the center automatically.
10. **Redemption.** Always. Shoot until you miss.
11. **The losing team** finishes the winners' remaining cups, then racks the next game.

House rules must be declared before the first shot. Undeclared rules are not rules.
