OFFICIAL RULES: CHANDELIER

1. **Setup.** A full cup on an upside-down bowl in the center: the chandelier. Everyone's own cup in a ring around it, a third full. Two balls.
2. **No turns.** Shoot whenever you hold a ball. Every shot must bounce. Loose balls go to whoever grabs them.
3. **Sunk.** Ball in your cup, from anyone, including you: finish it, refill it, keep the ball.
4. **The chandelier falls.** Ball in the center cup: everyone finishes their own cup and flips it. Last to land the flip finishes the chandelier.
5. **Refill everything** and play on.
6. **Three chandeliers** to a game. The last one to finish the center cup resets the table.
