OFFICIAL RULES: HIGHER OR LOWER

1. **Start.** One card face up. That's the pile. Aces are high.
2. **Call it.** Higher or lower? The dealer turns the next card onto the pile.
3. **Right?** Call again.
4. **Wrong?** Drink once for every card in the pile. The pile starts over, and you call again.
5. **Same rank** is always wrong.
6. **Three right in a row?** You may pass the pile to your left. Or keep going.
7. **Deck runs out?** Whoever is calling drinks the pile.
