5. **Stack.** Make it while the player on your left is still shooting, and stack your cup inside theirs.
6. **Stacked?** Pass the stack and your ball left. Take the other ball and a new center cup, finish it, and keep shooting.
7. **Ball in a center cup?** Finish it, add it to your stack, keep shooting.
8. **The cage.** Whoever is stacked when only the cage cup is left finishes the cage cup. Game over. The caged player racks the next game.
