OFFICIAL RULES: RIDE THE BUS

Part 1: The four questions. Wrong: drink. Right: give a drink.

1. Red or black?
2. Higher or lower? (Same rank is wrong.)
3. Inside or outside? (Matching either card is wrong.)
4. Which suit? (Right gives five drinks.)

Part 2: The pyramid. Fifteen cards face down in rows of 5, 4, 3, 2 and 1. Turn them from the bottom up. Match a card's rank and play it to give drinks: 2 for the bottom row, then 4, 8 and 16. The top card is a shot.

Part 3: The bus. Most cards left rides the bus. Answer all four questions in a row. A wrong answer is a drink, and back to question one. The ride ends after four right in a row. The bus does not stop until you get off.
