OFFICIAL RULES: SLAP CUP

1. **Setup.** About twenty cups in the center, each a third full. Two players on opposite sides each take an empty cup and a ball.
2. **Shoot.** Bounce the ball off the table into your own cup. Keep shooting until it goes in.
3. **Pass.** Make it, then pass cup and ball to your left. Make it first try, and pass to anyone.
4. **Slap.** Make it while the player on your left is still shooting, and slap their cup off the table. One point.
5. **Slapped?** Take a center cup, finish it, and keep shooting with it.
6. **Slap the cup, not the player.**
7. **Center cups gone?** Game over. Most slaps wins. The last player slapped racks the next game.

Stacking instead of slapping? That's Rage Cage.
